

Annual Report 2019-2020

I feel honoured and privileged to welcome the Chief Guest of this evening Guest of honour And Special guests I also welcome the dignitaries, Principals of neighbouring DAV Public Schools....., parents and ladies & gentlemen. A very good evening to you all and at the same time good wishes for the New Year 2020.

Sirs, DAV Public School, Hudco was established in 1991 and in the span of 29 years it has achieved many milestones and the students passed out from this School are proving their worth not only in the Country but also outside the Country. That gives us satisfaction and solace to the parents that their children are in the safe hands. Here I would like to emphasize that each and every member of the School is contributing to the growth of the students' personality to make them successful and to earn name and fame.

At present this School has the strength of 3343, Teaching faculties 106, Non - teaching 05 and Support Staff 80. The School Staff is getting salary as per 7 CPC and treated in a manner that their ego and sentiments do not get hurt and are inspired for innovations.

The Annual Function of the School is not only a platform to present cultural activities but also it gives an opportunity to peep through the window to know about the activities ensuring holistic development of the students and also the confidence developed in them to face the future challenges.

As a part of Academic activities I would like to apprise you that :

- (A) We do not conduct pen paper test for Nursery to Std. II rather our purpose is to develop in them a good understanding, we inculcate values at a very early age that shapes their behavior and the skills. This is observed by the teachers on the prescribed rubrics on day to day basis.
- (B) Students from Std. 3 to Std. 8 have the pen paper test. Though there is no detention policy applied, we take full care of them and you would be surprised to know that the students belonging to unprivileged section are doing exceptionally well. More than 90% students of this group are doing very well and scoring more than 70% in every exam.
- (C) The students of Std. IX to XII really give impression about the School. By this time they become mature and are ready to face the challenges. This adolescent group requires patient dealing to channelize their talent towards a constructive end. I really feel proud of my teachers that they understand their responsibilities well and this can be assessed by multifarious achievements of our students.

I am very elated to announce a rare achievement made by one of our students that too of Nursery Class. It is really a mind blowing performance by Mast. Siddhant Bhutda of Nursery born on Nov 20, 2015. He can recite mathematical tables from 1 to 30 at a stretch. Being a spontaneous reciter of Mathematical tables, his name has been entered in India Book of Records, a book annually published in India, listing human & natural Indian records and affiliated to Asia Book of Record.

सिद्धांत का नाम इंडिया बुक ऑफ रिकार्ड में दर्ज

भिलाई | डीएवी पब्लिक स्कूल भिलाई के नर्सरी अ में पढ़ने वाले 4 वर्षीय छात्र सिद्धांत भूतड़ा ने 1 से लेकर 30 तक लगातार गणितीय पहाड़ा पढ़कर इंडिया बुक ऑफ रिकार्ड में अपना नाम दर्ज करवाया है। सिद्धांत उपलब्धि पर माता वीणा भूतड़ा, पिता शरद भूतड़ा और प्राचार्य प्रशांत कुमार समेत सभी स्कूल स्टाफ ने हर्ष व्यक्त किया है।

Sir, we are well aware about the social responsibilities and accordingly such values are being inculcated in the students.

1. The School has a target to plant 5000 Saplings by the end of Sept: 2020, we have already planted 1000+ Saplings so far.
2. We have adopted Hudco Colony to make it Swatch Colony of Bhilai. The students are giving voluntary services and sensitizing the residents.
3. We have started the movement to make Hudco Colony free from plastic and also to save water by narrating the public about the kind of leakages. A presentation in this regard was given at Durg Railway Station also to sensitize the travelers.

4. School had organized Blood Donation Camp with the support of Red Cross Society.

5. We are going to take up the issue to sensitize the public for wearing helmet while driving two wheelers.

Sirs to facilitate the students we have added many things to our infrastructure :

1. Constructed a new Building for Pre-Primary classes.
2. Installed Fire-fighting system in the School.
3. Installed water purifier machine at six different corners.
4. Developed English language Lab.
5. Provided Science Software to give better understanding to the students about the Practical they do in Physics, Chemistry & Biology.
6. Installed CCTV in each and every corner of the School.

Now at the end I would like to mention a big achievement the School had this year. The Niti Ayog has selected our School for "Atal Tinkering Lab" where the scientific aptitude of the students will take a positive shape.

Last but not the least I would like to extend my thanks to each and everybody present here. Special thanks to our Chief Guest who inspite of busy schedule has agreed to bless the students of this School.
