CENTRAL BOARD OF SECONDARY EDUCATION

: 2 :

It has been observed that many schools are violating the Examination Bye-laws and Affiliation Byelaws while doing admissions. As CBSE is responsible for imparting quality education and the act of a school disobeying the Examination Bye-laws and/or Affiliation Byelaws is totally in contradiction to the pursuit of quality of education, hence CBSE has been taking strict measures and actions against such schools. Recently 35 candidates of an unaffiliated school which were proposed to be routed through some other school were denied candidature and appearance in Class X Board Examination, and thereafter Hon'ble High Court Punjab and Haryana at Chandigarh was pleased to decide the petition of the said school in favour of CBSE.

Any such act by the school which is contrary to the provisions of the Examination Bye-laws amounts to playing with the life of the young citizens. The Board is of the view that the Management and the School who indulge in such acts are directly responsible for it. CBSE will deal very strictly and speedily with such acts of the schools and Management. In addition to imposing all or any of the penalties mentioned in clauses 12.1.1 to 12.1.9 of the Affiliation Byelaws, 2018, on any school, the Board shall be constrained to take appropriate legal action and may also resort to publishing their name to make the public aware of such schools.

In this backdrop, if you intend to provide admissions in Classes IX to XII in the current session, you are requested to follow the Examination and Affiliation Bye-laws completely to avoid any complications thereafter.

The actions that you will take for abiding by all rules/byelaws/guidelines/directions of the Board, shall go a long way in the imparting of quality education and also in eliminating malpractices from the arena of school education.
I look forward for your cooperation and compliance.

Yours faithfully
